

*Ovation*TM Model BLES8

It's Time for an Outstanding Performance

ExtraordinAir™ Threading

Thread your loopers all at once with the push of a button. A quick gust of air gets your thread through each looper with minimal effort.

Convenient Presser Foot Lever

An easy-access presser foot lever in the front of the machine lets you quickly make adjustments.

Knee Lift

Keep your hands free for more precision as you serge.

Pure Lighting — 6 LED Lights

Clearly see every stitch, fabric and thread color under six bright LED lights.

Variable Speed Control

Always stitch at a comfortable pace for the utmost precision.

Automatic Thread Delivery™ (ATD)

Never worry about tension adjustments again. Enjoy perfectly balanced stitches regardless of the type of fabric you're using. And, ATD lets you thread your loopers in any order.

Largest Throat Space – 5" to Right of Needle

Easily serge large projects with room to spare. You'll love adding decorative stitching to yards and yards of fabric.
